2012 Little Dilly Format

**Fifteen flights
Six teams to a flight
45 Holes**

Full handicap - the low handicap in each foursome will be adjusted to zero and the other three players adjusted accordingly.

Teams will be flighted by their combined handicap total.

Play will be nine hole, best ball, match play.

The cumulative point total will determine the winning two-man team within each flight.

Points will be awarded as follows: One point for a hole win, one-half point for a hole tie, and zero for a hole loss. The team that wins the match will be awarded one bonus point. Ten points are awarded per nine hole match.

Upon completion of 45 holes, the winning point total team for each flight will play for the overall championship in a Derby.

All ties for flight winners will be settled by the winner of their match. If their match is a tie, there will be a chip-off on #9 green. A cumulative total, per team, of closest to the pin in feet and inches is the winner.

The Derby format is a Nine Hole Scotch Horse Race. Teams will receive 25% of their combined handicap. The low handicap team will be adjusted to zero and the other teams adjusted accordingly. The low handicap player from each team will tee off first. Players will alternate shots from that point. Penalty strokes do not affect the

order of play. One or more teams will be eliminated after each hole. Ties will be settled by a "chip off" (both players combined distance from the hole). In case of a tie on the 18th hole of the Derby, sudden death will begin on hole #10.

The team that survives the Derby will become the "2012 Little Dilly Champions."

Special Thanks

The Committee would like to extend a special thank you to Dale Volker, Bob O'Neill, and their staffs for helping us plan another great tournament. Thanks also to Randy Norvelle and the grounds crew for an impeccable course making play that much more enjoyable.

Finally, thanks to all of you attending the 2012 Little Dilly! We hope you have a terrific time!
